

VOLUNTEER COMMITMENT

Fundraising is a necessary component to keeping the costs of our programs down, making it affordable for families.

Volunteer Requirements:

Participation in fundraising is mandatory for the families of each skater in the StarSkate Prep (two days a week) and StarSkate programs. If a family has more than one skater in either of these programs, a fundraising commitment is required for each skater. Skaters who join ASC part way through the year will have their fundraising commitment pro-rated.

Usually we have more options for families to volunteer, but during COVID, we have had to amend this. We require all skating families to complete at least **8 volunteer credits** by April 2021. If credits are not completed, a cheque / payment will be requested for \$250 from the family. Cheques are not being collected in the fall as handling of cash/cheques is being minimized during this time.

| Event | Credits earned |
